PROFILE

Creative digital marketing specialist who combines short-form video production, campaign planning and performance confidence into brand-led content. I have created TikTok and Instagram content for Sony Music and Finnkino and contributed to campaigns where humor, audience insight and a clear brand identity come together. My strengths include ideation, scripting, performing and building content that feels authentic while remaining easy for the audience to connect with. My goal is to keep growing in social media and digital marketing as part of a creative marketing team.

EXPERIENCE

Sony Music | FREELANCE CONTENT CREATOR
